Last Will and Testament

WE, the Senior Class of the Village of Loyal, in the County of Clark, in the State of Wisconsin being of sound mind and memory do make, publish, and declare this our last will and testament.

Alice Ampe reluctantly leaves her occassional forty winks to our energetic freshman, Duane Brussow.....Patsy Beaver wills her dutiful hours before the mirror to "Slug" Schlagenhaft..... To LaVonne Smith, Glen Bloom bequeaths his shy-but effective, technique.....Beverly Boe bestows upon Elgy Clouse her perpetual smile.....James Brusky bestows upon Eileen Scheel his swinging gait----hoping she might swing on it....Pooch Catlin wills his datebook filled with out of town addresses to Charles Theisen.....Dorothy Catlin names Gwendolyn Tucker sole heiress to her ringing laugh....Fred Cox bequeaths his tendency to drape his long, lanky limbs about classroom chairs to Mary Oestreich.....From Albert Degenhardt, Fred Adler receives his precise manner. Charles Esselman proudly leaves his size 13 shoes to Orville Horner who in time may discard the necessary padding.....Lorea Gardner wills her beautifully manicured fingernails to Edward Bertz Jr...To Charles Marquardt, Bucky Gerdes confers his professional black magic so in coming years uncanny disturbances will be better understood.....Margaret Gravitter and Wilma Guetschow will their chummy companionship to Arlene Mueller and Dorothy Kauffman--a typical Mutt and Jeff pair .....To Dolores Cowles, Patricia Haas wills her ability not to get "Burns" when " Fish "--ing, Esther Hammer leaves her blonde tresses to Helen Fink....Ruth Haslow bestows upon Margaret Roth her affinity toward the younger "Young".....Arleigh Henninger gives his athletic physique to a promising star, Frank Stange (Where are the growing tablets)....Attention stag line!!! Margaret Horner bequeaths her art of dancing to Minnie Kuester..With the understanding that she use them only at midnight, Lorraine Klessig wills her jet black curls to Arlene Oestreich....Frances Ann Langholz wills her fluent jabber to Allan Haas...To Marjorie Stayton Martina Michalski bestows her efficiency in taking dictation----on shorthand pad only!....Ruth Marquardt bequeaths her office position to Jim Hawley--(Imagine him beside those mammoth books.) To Shirley Hills,Altha Morse bestows her ability to improvise long speeches....Ambrose Murphy leaves his power to "Win Friends and Influence People" to Dale Carnegie.....Nina Oestreich bids a sad farewell to her gurgling giggle as she wills it to Mr. Hunsader....Knowing that he will have no further use for his late assembly entrances, Sid Picus wills it upon "Stub" Beaver.....Bob Prior proudly wills his honorable khaki uniform to our alma mater as the first student from our class to offer his services to his country.....Edna Prust bestows her bashful retiring nature upon Shirley Brussow .....To Glen "Teedle" Owens, Donald Smith wills his musical greetings.....Dale Sommers leaves his Model A coupe to "Pee-Wee" Young together with some length so he may reach the pedals..... Caroline Steffen leaves her black eyes (without steaks) to Jerry Brusky...Harry Steffen bestows upon Bob Jewell his beard.....To Donald Shupe, Rose Steffen wills her modesty. Donald Strege bequeaths his straight hair to Claudie Bichler to decrease his valuable time spent on his waves ....To Junior Krasselt, Nancy Thurber wills her becoming blushes.....Shirley Vogel bestows upon Donald Stillwell her quiet attitude. Percy Voight reluctantly parts with his faithfulness (?) to Vernon Stevens. (More power to you "Steve".).....Norma Young wills her ways and means of doing things to June Hawley.

This our last will and testament we present to our underclassmen in the hopes that they will successfully follow in our footsteps as we have advanced in knowledge bequeathed to us by those preceeding us.
